As you consider applying for summer staff, keep in mind that we strongly prefer summer staff members to be available for the entire period (July 7 through August 1st). If everything else is equal, we will select applicants who are available all summer. When completing the application form, please be as specific as possible about your availability. Also, the staff orientation (June 7-14) is very important. Missing this session makes it more difficult for you to receive necessary orientation and training, and you miss the team-building that takes place during that time. Again, we will give hiring preference to those who are available for orientation.

Please check weeks available.

- I am available from Orientation through week 6 (June 26-August 13)
- I am available for lifeguard training (June 16- June 19)

I am only available:

- Orientation (July 7-July 14)
